CHIEF COMMISSIONER OF AJMERE-MERWARA.

NOTIFICATIONS.

Abu, the 20th March 1886.

No. 273—115-11.—In exercise of the powers conferred by section 5, Act XIV of 1874 (the Scheduled Districts Act) the Chief Commissioner of Ajmere-Merwara is pleased, with the previous sanction of the Governor-General in Council, to extend Act XIX of 1883 (the Land Improvement Loans Act) to the Scheduled District of Ajmere-Merwara, with effect from the 1st of January 1886.

The following rules are made by the Chief Commissioner of Ajmere-Merwara with the previous sanction of the Governor-General in Council, under section 10, Act XIX of 1883:—

Rules made by the Chief Commissioner of Ajmere-Merwara, with the previous sanction of the Governor-General in Council, under section 10, Act IX of 1883.

I.—The Chief Commissioner will inform the Commissioner of Ajmere what amount will be placed at his disposal for loans under the Act for each financial year. The Commissioner will divide the sum between Ajmere and Merwara at his discretion, and may transfer for expenditure in either of the tracts any part of the amount allotted by him for expenditure in the other. But the total expenditure in the two tracts must be kept within the amount assigned by the Chief Commissioner. If an additional grant is required, application should at once be made for it.

II.—Subject to the provisions of these rules, the Commissioner may sanction loans not exceeding Rs. 5,000 for purposes specified in the Act. Loans exceeding Rs. 5,000 require the sanction of the Chief Commissioner. The Commissioner or Chief Commissioner may call for such detailed plans and estimates or such professional opinion with respect to a project as may seem to him to be necessary.

III.—An application for a loan may be made to any Revenue Officer of or above the rank of a Tahsildar.

IV.—The application, if made in writing, should be as nearly as possible in Form A. If an oral application is made, the officer to whom it is made shall cause it to be recorded as nearly as possible in that form.

V.—The officer to whom the application is made shall either make an enquiry himself, or cause one to be made by a Revenue officer not below the rank of a Naib Tahsildar or supervising Kanungo, for the purpose of ascertaining the particulars mentioned on the reverse of Form A. If, in the opinion of the officer to whom the application is made, it is expedient that public notice of the application should be given under section 5 of the Act, he will publish a notice thereof by fixing it up in a conspicuous place in the village, or in each village, which will be affected by the proposed improvement. If he determines not to give public notice of the application, he shall record with his own hand his reasons for considering such notice not to be expedient.

VI.—When the value of the applicant's interest in the land to be improved is sufficient to cover the loan, collateral security need not be required. Personal security may be accepted when the sureties are a body of village residents who bind themselves jointly and severally to the Government for the payment of the whole amount payable in respect of the loan. Moveable property should rarely be accepted as security.

VII.—The date for the repayment of the first instalment shall be fixed with reference to the time when the improvement will begin to yield a return.

VIII.—The date for the repayment of the last instalment shall not, without the sanction of the Chief Commissioner, exceed fifteen years from the date on which the loan, or the last instalment of it, was advanced. The amount of the instalments shall be fixed with reference to the annual profit likely to accrue from the improvement.

IX.—If the Chief Commissioner has prescribed tables consolidating principal and interest in instalments, the repayment of the loan shall be arranged in accordance with those tables. If such tables have not been prescribed, the instalments of principal may be so arranged as to increase approximately in proportion as the charge for interest decreases.

X.—On completion of the enquiry and verification of the security, the officer to whom the application was made may sanction the loan himself if empowered to do so, otherwise he shall forward the application with his report through such channel as the Chief Commissioner may prescribe, to the officer who is empowered to sanction the loan.

XI.—An order granting a loan shall be in Form B hereto annexed, and shall be signed by the applicant in token that he understands and agrees to the conditions contained therein. When the sureties (if any) whom the applicant is required to furnish give personal security only, the bond to be executed by them shall be in Form C hereto annexed. When immoveable property is required to be given as collateral security, the security bond shall be in Form D hereto annexed.

XII.—A copy of the order shall be given to the applicant, and payment of the loan, or where the loan is advanced in instalments, of each instalment of the loan, shall be made at the tahsil on its presentation.

XIII.—(a) The rate of interest shall be one anna in the rupee, or 6½ per cent. per annum.

(b) But the Chief Commissioner may, for special reasons, sanction a loan at a lower rate of interest or without interest.

(c) If an instalment of principal is not paid when it falls due, the Commissioner may, if he thinks fit, charge interest on it at any rate not exceeding 6½ per cent. per annum from the date of its falling due to the date of payment.

XIV.—The dates for repayment of instalments of a loan should usually be the dates fixed for payment of instalments of land revenue.

XV.—Instalments may be suspended by order and at the discretion of the Commissioner on proof of failure of crops or other exceptional calamity.

XVI.—When any portion of a loan made under these rules is found to be irrecoverable, special report shall be made to the Chief Commissioner.

XVII.—Any Revenue officer not inferior in rank to the Tahsildar may at any time enter on and inspect any land for the benefit of which a loan has been granted, and any work in progress thereon.

XVIII.—As soon as may be after a loan has been granted, the officer or authority granting it shall cause the patwari of the circle in which the land to be improved is situated, to copy into his *rosgnamcha* so much of the order granting the loan as relates to the amount of the loan, the manner in which the loan is to be advanced, the nature of the improvement for the purpose of which it has been granted, and the time or times by which the whole or parts of the improvement is or are to be completed.

XIX.—At such intervals as the Chief Commissioner may by general order prescribe in this behalf, the patwari shall submit, through the supervising kanungo, the tahsildar, and the Assistant Commissioner, to the Commissioner a report as to the expenditure of the loan and the progress of the work for the purpose of which the loan was granted.

XX.—The Chief Commissioner shall regulate the forms of all returns, registers, and accounts relating to advances under the Act.
